

IANUS – Forschungsdatenzentrum Archäologie & Altertumswissenschaften

IANUS ON THE ROAD ...

Vienna, 16th November 2016

FÖRDERUNG
DFG

KOORDINATION
 DEUTSCHES
ARCHÄOLOGISCHES
INSTITUT

- » Save – back up – archive: awareness of differences

- » Save – back up – archive: awareness of differences
- » Curation costs money – average 60-80% are staff costs

- » Save – back up – archive: awareness of differences
- » Curation costs money – average 60-80% are staff costs
- » Blurring: costs over time – how expensive is energy / hardware / storage space in 5, 10, 20 ... 100 years?

- » Save – back up – archive: awareness of differences
- » Curation costs money – average 60-80% are staff costs
- » Blurring: costs over time – how expensive is energy / hardware / storage space in 5, 10, 20 ... 100 years?
- » From project to product: commitment for sustainable financing of infrastructures for long-term archiving

The screenshot shows the IANUS website homepage. At the top, there is a search bar and navigation links for 'Anmelden' and 'Registrieren'. The main header includes the IANUS logo and the text 'Forschungsdatenzentrum Archäologie & Altertumswissenschaften'. Below this, there are tabs for 'Forschungsdatenzentrum', 'Datenportal', and 'IT-Empfehlungen'. The main content area features a welcome message: 'Herzlich willkommen bei IANUS!' followed by a paragraph about the center's mission and a circular diagram of the 'DATEN-LEBENS-ZYKLUS' (Data Lifecycle) with stages: Erstellung, Verarbeitung, Analyse, Archivierung, Zugang, and Nachnutzung. Below the diagram is a 'Schnelleinstieg' section with links to results, an online form, and teaching materials. A 'Kontakt' section provides contact information for Maurice Heinrich and Dr. Felix F. Schäfer. On the right side, there are sections for 'Kooperation' (listing CODFA) and 'Letzte News' (listing project updates). The footer contains 'Impressum', 'Lizenz' (Creative Commons BY-SA), and 'Feedback' links.

This block features the IANUS logo and a word cloud of related terms. The logo is a stylized blue and grey circuit-like design with the text 'IANUS' below it. The word cloud includes terms such as 'Datenerhaltung', 'Nachnutzung', 'Digitale Daten', 'Forschung', 'Dokumentation', 'Metadaten', 'IT-Empfehlungen', 'Archivierung', 'Austausch', and 'Planung'.
